

CREATIVE LEARNING WORKSHOP

*Thursday 22nd January 2015
Disabled Living Centre
Manchester*

*An opportunity to learn how to make
comic strips and short animated films to
communicate your research and
development messages.*

*Work with experienced artists and animators to develop skills and
confidence to communicate your work in a new and exciting way.*

Cost £85
Includes all
materials and lunch

*A practical day of imagination and fun that will
change the way you communicate your
work with colleagues, patients and the
public*
