

NHS R&D North West Annual Conference

Let's Talk Research 2016

**Are you a clinician, nurse, midwife or allied health professional?
Are you a leader of research, development and innovation within
the NHS?**

Get yourself to the Let's Talk Research 'Edge Walking' Conference 2016. This year's conference is about doing things differently and challenging the cultures of research for increased effect and impact.

Edge Walking - Exploring Novel Approaches to R&D
Royal Northern College of Music, Manchester
15th & 16th September 2016

Key speakers include;

Professor Caroline Watkins, Director of Research & Innovation, UCLAN
Penny Clough MBE

Professor Ged Byrne, Director of Education & Quality, HEE North

Professor Sally Spencer, Professor of Clinical Research PGMI, Edge Hill University

- Over 24 workshops
- Keynote presentations
- Creative communication techniques
- Networking and collaboration opportunities
- Interactive Q&A sessions

"Excellent conference! I have left with lots of food for thought and some excellent contacts."

Only £110 for 2 days - Book your place now!

More conference details and online booking can be found at
